Chairman's Corner by: Larry Bahler

What's in a Name

With our Club's legacy offering of shotgun games, Trap and Skeet, now growing with the addition of Wobble and 5-Stand, it is anticipated that all the disciplines will be occupying the new building. With that in mind, "Trap Palace" has been retired and the signage is now generic for all the Shotgun sports. In addition, the "Skeet Ops" is now identified as the Shotgun Sports Annex.

Next time you are at the club, come by and take a look. The "club room" is almost twice the size of the old facility. The Restrooms aren't too bad either. A bit of landscaping is on the to-do list.

Never know till you ask ...

We were looking for a gun rack system for use at the covered North porch with a smaller footprint than the huge wooden units scattered around the shotgun fields. Club member **John Oxford** listened to some of the shotgunners and fabricated a quantity of racks that have steel frames with weather resistant shelving. These should last forever.

Another drum roll, please !!

Would you believe ... the 5-Stand equipment is now in place on Field 7, and ready for use!!

In early promotion, we were anticipating locating this venue to the East of Field 7. However, the site prep has yet to be completed, so to get the venue launched, we're on 7. Skeet shooters, please know, none of this equipment should impede opening and shooting the Skeet venue. You shouldn't have to move a thing.

Admittedly we still have a few kinks to work out, one being transporting targets out to the machines.

We'd like for casual users to participate in a short "**orientation**" before jumping in to use the venue. I will be on site, each Sunday of October, 11am – 2pm, and Thursdays, 3pm – 5:30pm, weather permitting. Bring your gun and shoot a round too.

Should it be more convenient, please drop me an email at lbahler@cox.net, and I will meet you at the club.

It is planned to have scheduled, organized shoots going forward.

Hard to imagine that the 19 months since the Board gave permission to launch this campaign has absolutely flown by. To date we're only at 49% of the \$24,000 goal, but to honor the commitment to those members who have supported this project we now have 5-Stand. Please know that NO Club funds have been expended for this project.

EVENT FEES MEMBERS vs NON-MEMBERS

Per the Board of Directors, all club events are to collect, account for and submit a \$5 fee from all non-members attending events at Oil Capital. If your event is 100% members, such as Dinner Meeting, there is none to collect. For Shotgun Sanctioned events, those state/national sanctioning bodies do not allow an entry fee differential, so Board has determined to not collect. For shotgun daily, there is already a member/guest price differential built into the cost per round structure. On daily rounds, guest shooters often shoot 2-3 rounds, so the \$5 is collected that way.

All other events, to include single projectile events and air gun, will collect and submit the \$5 fee. Many events have already been doing this for years, decades in some cases.

While this info has been provided previously, the below is from the Policy Manual and will assist you in determining what individuals (those not shooting at member rate) would be subject to the \$5 guest surcharge.

“Member fee will be charged members, their family and broadly construed extended family. Juniors shoot at member rate. Guest fee applies to others.”

... 5-Stand is now available

Oil Capital's 5-Stand venue is intended to be available for "casual & recreational" users as well as occasional organized events.

To make the process as stress-free as possible, we'd request you attend one of our short "**orientation**" sessions, weather permitting:

- each Sunday of October, 11 am – 2 pm,
or
Thursday, 3 pm – 5:30 pm

Should this not be convenient, please drop an email to: LBahler@cox.net, and I'll meet you at the club.

You'll find out where we hide the keys

You'll discover where the buttons and switches are

You'll practice the process of opening and closing the venue

You'll learn how to make simple adjustments

You'll know how to load targets

You'll review the safety requirements

You'll experience how a game of 5-Stand is played

You'll gain first-hand knowledge by paying for your targets

You might even have FUN!

Bring your gun, a box of shotshells and shoot a few targets too.

BIG 50

Hello from the Oil Capital Trapshooters, if you are looking for a great place for practice and registered targets you came to the right place.

Oil Capital has been a well established location for shotgun trapshooting competitions with quite a bit of success in the last few years. Our picturesque backdrop holds four field looking out to a beautiful pasture and tree line. With voice activated throwers, a crack team of organizers, and a regiment to ensure our target's trajectory are above board, Oil Capital is quickly becoming an ideal location for trapshooters in Oklahoma and neighboring states. Here are the main events that our field hosts.

BIG 50's - Every Thursday @4pm - Rain Or Shine March - October

Need to add some registered targets for your log before Nationals? Then our Big 50s are one of the best means to do that. We host a weekly event of 150 total targets, 50 Singles, 50 Handicap, and 50 Doubles. Friendly competition is always welcome and for these shoots we only charge the bare minimum to register. It's our way to help shooters to fill their target quota while also giving them a valid competition to practice.

300 Bird Shoots

Our star TRAP event, the 300 Bird Shoot is our pride. 100 Singles, 100 Handicap, 100 Doubles, with a brief intermission for a free lunch provided by our staff to all attendees. Our 300 Bird Shoot has attendees from all around the country making it a wonderful opportunity for shooters to interact and test their skill. Events are also open to category class competitions.

300 Bird Shoots – Sundays, Once per Month Practice @ 9AM, Event starts @ 10 am March - October

(Singles - A, B, C, D) [Handicap - Short, Mid, Long] (Doubles - A, B, C, D)

Be sure to join for as many of our 300 Bird Shoots as you can, especially for the occasional special events that we host.

We hope to see you there

25 YD TARGET CARRIERS 2026

The Board recently approved new 25 yd target carriers to replace the labor-intensive ones that have been in use. The new carriers will be installed soon. You will be able to still use your personal chain hung metal dingers, as well as personal fall-over steel, in addition to having a place to staple your targets.

If you do not already own a heavy duty stapler, with a supply of preferably 1/2" or 9/16" chisel point staples, you will want to add one to your range kit. By the evidence of the forest of staples on our current coroplast, most already do carry one.

The Club will supply 1" x 2" x 4 ft lath to go into the steel uprights. You will staple the Club-provided 18" x 24" coroplast to the lath, on which to attach your targets. Extra coroplast and 1 x 2's will be stored conveniently about every other bay. If the Club-provided coroplast size doesn't suit you, please bring your own coroplast or cardboard.

Many of the target carriers will have an upright for a 2" x 4"; bring your own 2 x 4's. Two of those are what your metal dinger will hang from. It will take one of those as an attachment point to place your 2 x 4 for a fall down metal target.

When finished with your range session, pull and trash your paper targets as always. Coroplast and lath can remain in place on the stands, until used up.

Things NOT to do:

- Do not attempt to move carriers from their position at the zero mark line for the 25 yd distance.
- Do not attach targets directly to the metal uprights.
- Do not set objects as targets directly on the metal uprights.
- Do not shoot the uprights, including the 2 x 4 holder upright.

Sounds really easy, doesn't it? Now prepare a bit and go enjoy!

INDOOR AIR GUN

We have about 12 to 18 shooters each Thursday evening. The targets are NRA air gun-sized metal silhouettes made to be shot outdoors, at up to 45 yards. We shoot them indoors at 11 yards. Practice is from 4 PM until 6 PM. We shoot pistols first and then rifles, going home by 8 PM. Most people will let you try their air guns, so you can see what it's like to shoot a modern air gun.

COWBOY ACTION SHOOTING

Tator Hill Regulators shoot twice a month when we have a 5th Sunday.

Regular shoots are 3rd Sunday.

We sometimes shoot regular Cowboy SASS rules, lead bullets only. You'll need 2 revolvers a lever or pump action rifle in pistol caliber and a shotgun, SxS or pump.

Most months are rimfire "Wild Bunch" with semi-auto or single action .22 pistols, lever or pump action .22 rifles and "any" shotgun, SxS, semi-auto or pump, just no optics, or tactical. You will need 2—3 magazines for the semi-auto pistols and if shooting revolvers, bring 2. These go fast and anyone can participate. Shot shells must be lead 7 1/2, 8 or 9 shot.

You won't need holsters for the rimfire shoots, all the guns can be staged or holster optional.

Restrictions: NO OPTICS—NO TACTICAL These matches are great for beginners or those who want to shoot friendly competition without any pressure. Our goal is to have fun and enjoy shooting with some really nice folks.

PRACTICAL DEFENSIVE RIFLE

We invite you to attend the monthly Practical Defensive Rifle Match at Oil Capitol Rod & Gun Club. Match fee is \$10 members and \$15 guests; cash or check only. The match is held the last Saturday of every month, year 'round. Sign-in commences at 0930 in the Pistol Pavilion Building. Safety meeting at 1000. Please see Rules PDF on Events tab web page. If you want on the BCC notification list, please send an email to jack38@windstream.net.

The Defensive Practical Rifle Match is a shooting sport that uses practical rifles/carbines and equipment suitable for real world use, including full charge service ammunition, to solve simulated real world self-defense scenarios. While primarily a rifle/carbine event, pistols also sometimes used in a stage with them. Gun transitions are designed to be within the competitor's individual capabilities.

We shoot the scheduled match unless it is cancelled by conditions extreme enough to be unsafe. Activity participants will be updated by email.

Pre-registration is done on Practiscore; see "how to" at website events tab page. If you don't do well with Practiscore, come on to the match regardless. Scoring on the bays is via electronic tablets.
