2023 FIREWORKS RAFFLE

There are only 60 days left before the Raffle drawing. Tickets sales are really behind for this time frame. We still need to raise approximately \$3200 to pay for this years fireworks display which includes portapottys. Ticket sales have been off from the start and so far there have been around \$1100 in sales for the largest raffle we have ever had. If you are planning on buying tickets please do so now if you can. I haven't received any help selling tickets and I'm getting nervous we won't meet our goal. This year we have some really nice prizes to award. There will be a minimum of 15 drawings this year. Each drawing was random picked among club purchased and member donation items. See the raffle page on the clubs website for details on each prize. Last years raffle was very well received and turned out to be a success. I received excellent feedback on the one ticket multiple chances to win format so we are doing it again. I could also use some volunteers to help with the fund raising as it is a lot of work. A list of the current prizes we are currently awarding.

CHAIRMAN'S CORNER

Welcome to the first post of the "Chairman's Corner". Our Editor of the TARGET invited me to share some thoughts and comments which may be of interest to the members of Oil Capital.

Over the past several months I have peeked in on some of the activities around the club, and I noticed that the average age of the shooters was around 137 years old. Well, not quite that much, but quickly approaching.

Seriously, there are a lot of "aged old veterans" on our roster. And you don't see an appreciable number of younger shooters. We all know that the cost of our habit has blown thru the roof. Ammunition has been hard to come by. And even our club dues has seen an increase.

But, I would challenge all our club members to reach out to younger members of your family, possibly grand kids, and take them to the range. Share some of your ammunition, your time, and shooting talents, and introduce them to our sport.

It was great to see this past March, that youth shooting sports continues to be supported by the Oklahoma Wildlife Department. For the 9th year, Oil Capital hosted two days of the "Oklahoma Scholastic Shooting Sports Program" regionals. 508 High School and Middle School Trap Shooters from 51 teams were at the club, shooting over thirteen thousand targets. You would be encouraged seeing the discipline, attitudes and respect shown by the participants. A shout out to OC member Jim Kinsey who prepared and maintained the fields for the event.

And five of our club members, who are Scouting volunteers, hosted the Troop 935 "Shoot-Out", the weekend of April 15. Camping for the weekend, one hundred fourteen Scouts and Adult Leaders participated in Rifle, Shotgun, and Archery activities and competitions at the club.

Please ... Take a kid to the Range !

Hey, have you had a chance to shoot a couple of rounds on the Wobble Trap Venue? You've seen pictures on the web site and in the Target. Your Board took a chance in approving this project, not knowing what level of use the venue would see. I am happy to report, in the 14 months since its launch over thirty thousand targets have been thrown from the two wobble traps.

Also, over at the shotgun venues, all the fields have been converted to wireless control. And, if shooting by yourself, all the transmitters have "voice" option.

Your Board meets the second Monday of each month, in the Main Club House. Oil Capital members are always welcome to attend.

Larry Bahler, Chair, Board of Directors

“Oklahoma Scholastic Shooting Sports Program” regionals . 508 High School and Middle School Trap Shooters from 51 teams were at the club, shooting over thirteen thousand targets.

Do you remember when?

In 1970, under the Presidency of Tom Allen, Club members made two long-lasting decisions for the Club. They were both very important was one was very bitter-sweet. On July 20, 1970, Charles McCormick addressed the membership regarding the land purchase option for the remaining fourteen acres of the Spunky Creek location. By July 9, 1970, the Club had entered into a contract with the McCormick's for a total of \$14,560 for the land requiring a \$4,000 down payment and 9 installments of \$1,000 and a tenth installment of \$1,560 all at 8% interest. By August 4, 1970, the Club had made the required down payment effectively doubling the size of the Club grounds.

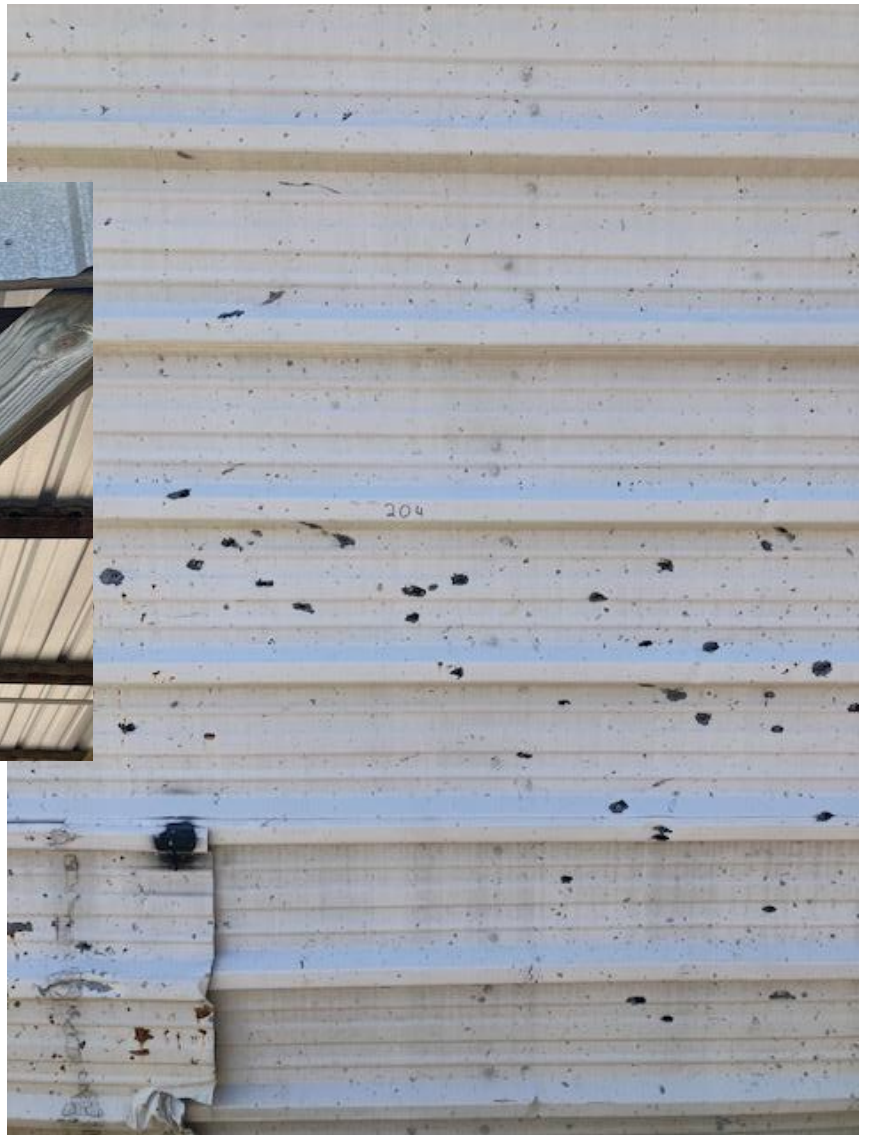

Sadly, that same year on August 4, 1970, the membership voted to sell the beloved bus. Many a fishing, camping, hunting or sporting event had been attended due to that bus. If only that bus could talk!

Scout activities at Oil Capital. BSA Troop 935 had a weekend campout and a full weekend of activities.

Did Anyone see who did this?

Whoever is covering the game cameras with tape needs to stop it. This camera was taped over twice and the memory card stolen. If you are caught you won't like the outcome. It's probably the same person who shot up the divider wall. Some idiot fired 205 rounds into the divider wall trying to do what? Empty the gravel out of the wall or to get a laugh? This is vandalism and it also compromises safety. This is totally uncalled for. If you know who the individual is that did this contact any board member. We want this members membership. The club doesn't need members who does this sort of thing. While the club is in the process of purchasing material to repair failing divider walls on other ranges, theres this guy who is trying to destroy this divider wall because he doesn't have anything else better to do . -ed

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

INDOOR AIR GUN

We have about 12 to 18 shooters each Thursday evening. The targets are NRA air gun-sized metal silhouettes made to be shot outdoors, at up to 45 yards. We shoot them indoors at 11 yards. Practice is from 4 PM until 6 PM. We shoot pistols first and then rifles, going home by 8 PM. Most people will let you try their air guns, so you can see what it's like to shoot a modern air gun.

COWBOY ACTION SHOOTING

Tator Hill Regulators shoot two times (most months). 3rd Sunday, we shoot regular Cowboy SASS rules, lead bullets only. You'll need 2 revolvers a lever or pump action rifle in pistol caliber and a shotgun, SxS or pump.

In months where we have a 5th Sunday we shoot rimfire .22. Rifles must be lever or pump action. Pistols can be any semi auto or revolver. If shooting a semi auto bring 2—3 magazines and if your shooting a revolver bring 2 of 'em. Shotguns can be side by side, pump action or auto loader, 20,16 or 12 ga. Shells must be lead 7 1/2, 8 or 9 shot.

You won't need holsters for the rimfire shoots, all the guns can be staged or holster optional.

Restrictions: NO OPTICS—NO TACTICAL These matches are great for beginners or those who want to shoot friendly competition without any pressure. Our goal is to have fun and enjoy shooting with some really nice folks.
