Dinner Meetings

Dinner meetings are held on the 3rd Monday of each month. We meet at the Main Clubhouse at 7 PM to enjoy the night's meal and each other's company. Members and guests are welcome at the meeting. At the meal's conclusion, current Club happenings are shared. Current meal price is \$8; please bring exact change.

The month's meal menu is announced via a BCC email, to those who sign up for the list. In the event it's necessary to cancel the month's dinner, the same list is utilized for the BCC email cancel notice. Please send email to jack38@windstream.net to get on the dinner meeting list.

We have a voluntary (but recommended) RSVP program. The purpose is to help us better plan for the number of the crowd coming to dinner. We'd like to serve all full portions of the meal. If you think you are coming to a given dinner, respond with your name (and number in your party) to jack38@windstream.net by NO LATER than the Sunday at 7 PM prior to the dinner on Monday (7 PM). That timely 24 hr. minimum response puts you in the First Call to join the serving line. Those not on the First Call list automatically go to the Second Call list to join the line. They will be called just a few minutes later. A complete plate of food is not promised for all of those on the Second Call list. Some entrées must be sourced more than 24 hrs out; the same entrée cannot be promised, if more must be secured on short timing.

Those that bring a desert are much appreciated; not required but certainly enjoyed by all!

Request for volunteer plumbing coordinator

Oil Capital Rod and Gun Club is seeking a highly motivated and retired volunteer to coordinate emergency plumbing repairs throughout the club site. This individual would work closely with the Board of Directors to ensure continuous plumbing services for the members. This would include responding to emergency water line breaks and coordinating plumbing services for repairs. If you are interested, please contact any board member to volunteer.

Oil Capital Member Donations Help Make Christmas Special

Christmas Basket donations from Oil Capital Members resulted in 65 families receiving \$65 Reasor's Foods gift cards.

OCRGC Director Bob Williams said three cards were distributed to families chosen by Oil Capital members. The other 62 were selected by the Coweta Chapter of the Disabled America Veterans.

Reasor's gave the club a discount on the gift cards which enabled more cards to be purchased.

The small note shown here was attached to the cards when the DAV distributed them.

For many years we purchased food and organized a date to stock giveaway tubs with everything needed for a good Christmas family dinner. As a result of the pandemic, we started giving away gift cards instead. The feed back on the cards has been very positive and we plan to continue using the cards

OCRGC is proud to help some of our member families and needy veterans and their families..

While most of the donations come to the club as part of the dues process, we welcome donations for this worthy cause at any time, Any donations marked for the program that are dropped into any of the club drop boxes will be included with the donations from dues payments

Thank-you for you participation. Gary Kruse 2024 Treasurer

Happy Holidays!

It is with great please that we are able to help our neighbors in need during this holiday season. Please accept this Reasor's gift card to help make your Christmas a little more "merry and bright" as you gather for your holiday celebration.

May God continue to Bless you and Light your way when at times it seems a little dark....from your friends at Oil Capital Rod & Gun Club in cooperation with Reasor's Foods – Broken Arrow

Do you remember when?
History of Oil Capital Rod and Gun Club
The Early Years

Last month we examined the earliest documentation we possess concerning the Club's formation. We discovered the earliest minutes retained are from 1958. Let's examine this month carefully to distinguish the Club's activities and habits.

The February 4th, 1958, Regular Meeting Minutes of the Douglas Rod and Gun Club located at 2000 North Memorial Drive in Tulsa, Oklahoma, reflect that there were 60 members present with 4 new members and 4 guests. President Gerry Smead presided over the meeting. The Treasurer's report reflected assets of \$573.44. A fishing trip was planned for Lake Tenkiller for February 14, 15 and 16. Trophies were presented for squirrel, dove, quail and duck hunting. The Club owned a bus and formed a committee for operation of a permanent tent that had electrical service. The minutes did not reflect where the tent was located. The meeting ended, as all at that time did, with refreshments, a raffle and a movie. In February a set of rules was adopted for the operation of the bus. Trophies were given out for trout, black bass, catfish and crappie fishing. There were 71 members at the March 4, 1958, Regular Meeting and a fishing trip was planned to Lake Tenkiller again for March 8 and 9. The March 17 Regular Meeting minutes reflect the meeting location was at the Spartan Aeronautics Cafeteria. The main topic was that the Club was not incorporated at that time which made some sportsmen reluctant to join. A salt-water fishing trip was scheduled for the end of March (destination for the trip was not named). Hunting rules were voted on and accepted. In April a fishing trip was scheduled to Fort Gibson Lake, as well as trips being scheduled to Bull Shoals, Spavinaw and Quachita. A picnic was held at the Club tent on June 15, 1958. In July, plans for trout fishing on White River were made for July 5-7 as well as a trip planned to Beaver Bend State Park. A "Stag Party" was held at the tent on August 2. On September 2 a Bull Shoals fishing trip was scheduled for September 27 and 28. At the September 15, 1958, Regular Meeting incorporation of the Club was discussed. A rough draft of the initial charter was read to the membership and "present officers were elected as trustees for incorporation purposes." At the October 20, 1958, Regular Meeting it was discussed that 2 duck blinds were available at Fort Gibson Lake and the membership voted to discontinue coffee and cake at the evening movies. The November 4, 1958, meeting resulted in a vote to trade in the bus and pay \$600 for a new bus. There was talk of moving the location of the Club tent. In November it was revealed that the Club had a duck hunting pond in Porter, Ok. In December the membership discussed selling or moving the Club tent. The December 15, Regular Meeting minutes reflect the Club was selling Christmas Trees to raise funds and Christmas Gifts were exchanged by the membership.

Now that we see a "baseline" for the Club's activities, we can examine future years in more general terms, however, trends and major changes will be covered in detail. Stay tuned.

Spring Painting

OC's artist in residence, Stan Lance has completed refurbishing a second sign this month, this time at the 305 gate. Looks pretty darn good Stan ... Thanks

And just today we caught Stan's apprentice, Brad Cheffey laying a coat of paint on the Horizontal Ladder and Picnic Canopy at McCormick lake

Chairman's Demographics Project

It's only been a week since I requested your assistance in compiling a master list of birthdates of our club membership. I certainly appreciate the response. I have received just over 300 replies. Fantastic, and please keep 'em coming.

Interestingly the replies include members who are just old enough to complete a Form 4473, at 24 years old, all the way to 90 years of age. I look forward to logging another 500+ entries to see where we stand.

\$\$ Money

Since my last note on this subject in the March TARGET, we are now operating on the '24 Operating Budget which was presented at the March Annual Meeting.

As a reminder, an IRS designated 501c7, defined as a "Social Club" is required to support the operations of the organization by member's dues, fees, and assessments. Our dues collection, which was completed in Dec. '23, fell short of the budgeted '24 Operating Expenses by **(\$31,269)**. Operating Budget items are those that are non-optional.

Obviously we need to make some corrections. The current by-laws require a 2/3 approval to revise the annual dues amount. And this has been the standard practice.

History shows that during the period of 10 years, since 2015 our dues underpaid against BUDGET equals **(\$245,597)**. Just think of all we could do with an additional \$ ¼mil.

Another option for establishing a fair dues amount might be to apply the formula:

$$\text{\$ \$ Operating Expense} / \text{Club Membership} = \text{\$ \$ Annual Dues}$$

... applying this formula for 2024 our dues should have been \$188.

Yep, count 'em, seven of our ten new Goose chicks enjoying lunch on the OC lawn.

ADVERTISERS

YOUR RENEWALS ARE DUE NOW. PLEASE SEND NEW ART WORK OF YOUR HIGH RESOLUTION CAMERA READY BUSINESS CARD SIZED AD EITHER IN VERTICAL OR HORIZONTAL FORMAT.

Not Using the Club Much Any-more?

Not using the club anymore? Need some extra cash? Perhaps you would like to sell or transfer your membership. Contact member services for information. The club maintains a waiting list of potential buyers. If you are interested in selling or transferring your membership email memberservices@ocrgc.com

BUILDING CLEANING CONSIDERATIONS

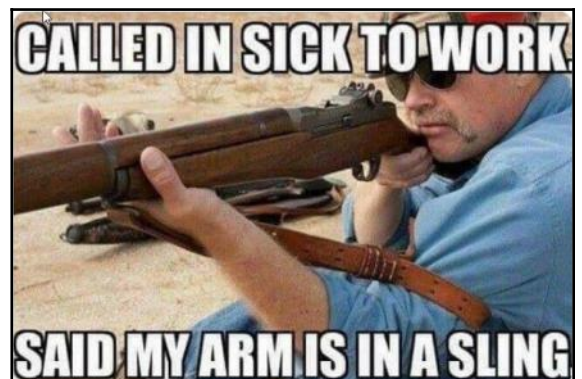

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.

THE SECOND AMENDMENT

George Washington didn't use free speech or negotiation to defeat the British, he shot them.

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

Board of Directors

Volunteers Needed

The Club can always use extra help on projects. If you have special skills or equipment that would be helpful, let us know what you can provide and what skills you have. We operate on mostly volunteer labor and we mostly never turn down extra or needed help. Contact memberservices and you will be added to the list of persons to call. memberservice@ocrgc.com

2024 RAFFLE & DONATIONS

The 2024 fireworks raffle is well under way. I received a Jennings J22 .22 cal semi-automatic w/ 2 magazines from a generous member. This will be drawing #4. Ticket sales are very slow and to date we are well behind from where we were last year. If you are planning on purchasing tickets please purchase now if you can. So far we haven't even made a third of the prize package. If you would like to help sell tickets please let me know. I could also use some volunteers to help.

INDOOR AIR GUN

We have about 12 to 18 shooters each Thursday evening. The targets are NRA air gun-sized metal silhouettes made to be shot outdoors, at up to 45 yards. We shoot them indoors at 11 yards. Practice is from 4 PM until 6 PM. We shoot pistols first and then rifles, going home by 8 PM. Most people will let you try their air guns, so you can see what it's like to shoot a modern air gun.

COWBOY ACTION SHOOTING

Tator Hill Regulators shoot two times (most months). 3rd Sunday, we shoot regular Cowboy SASS rules, lead bullets only. You'll need 2 revolvers a lever or pump action rifle in pistol caliber and a shotgun, SxS or pump.

In months where we have a 5th Sunday we shoot rimfire .22. Rifles must be lever or pump action. Pistols can be any semi auto or revolver. If shooting a semi auto bring 2—3 magazines and if your shooting a revolver bring 2 of 'em. Shotguns can be side by side, pump action or auto loader, 20,16 or 12 ga. Shells must be lead 7 1/2, 8 or 9 shot.

You won't need holsters for the rimfire shoots, all the guns can be staged or holster optional.

Restrictions: NO OPTICS—NO TACTICAL These matches are great for beginners or those who want to shoot friendly competition without any pressure. Our goal is to have fun and enjoy shooting with some really nice folks.
