2022 DUES COLLECTION IS UNDER WAY DUES ARE NOW \$150

Dues collection has begun. Most of you have already received your dues invoice by now. If you do not receive your dues notice by the second week of September, contact member services for a replacement. It is important to make any changes to your mailing address, telephone number, email, etc. before membership cards are sent out. You may use the form on the back of the Target, download from the website (once it is back online) or by just sending an email to memberservices. It is the Member's responsibility to keep their contact information current with the club.

2022 Dues are collected from September 1st through October 31st without penalty, dues collected from November 1st through December 31st will incur a \$50 penalty. Any Membership with unpaid dues at midnight on December 31st will revert back to the club inventory January 1st, 2022 and will be sold. **Remember that our 2022 dues were increased to \$150 in July by the members.**

Per the Bylaws, failure to receive a dues notice does not excuse the member from paying dues on time. If you have not received a dues notice by the 2nd week of September you should email Membership Services to request a replacement. You may also download a blank dues notice from the "First Shot" on the club website. When you write your check please be sure to include your membership number and note 2022 dues on the memo line. You may either mail your dues to the club P.O Box or place in the drop

box in the Main Club House. If you deposit your dues in the Main Club House please notify member services by email. memberservices@ocrgc.com

Members can track the dues collection progress on the club website as it will be updated on a regular basis with Member Numbers of Paid and Unpaid status..... Jack Killingsworth

UPDATE:

The content of the new website is 95% complete. All menu areas have been built and most of the content re-added. There are couple of modules that need to be incorporated and permissions and roles set. Once this is completed the users will be imported. At that point, I will be contacting our domain provider for the procedure to archive the old website and replace with the new. From this point it shouldn't be long before we are back online.

**This is a preview of our new website. The site has been down now since July 13th. The site is taking on a new look and will be much faster than the old. I will keep you updated as we go. Thanks for your patience.

2022 RAFFLE IDEAS

Seeking Ideas for the next raffle. We will be starting a new fund raiser soon and would like some fresh ideas. One idea that has been kicked around is to sell only 1 ticket type for multiple drawings up to maybe 5 prizes - A Pistol , Rifle, Shotgun, Ammo, Gift card, etc. What are your thoughts?

Do you remember when?

By Brad Cheffey

On May 13, 2010, an EF2 Tornado swept through Coweta, Oklahoma, directly impacting the East end of the Club. The Maintenance Barn and All-Weather Building were lost as well as the shooting pavilion metal canopies from the 100/200 yard ranges, 50 yard plinking range and the pistol bays. Debris was scattered for over half a mile. An insurance claim had to be filed and an eight-person committee was formed to rebuild and upgrade the damaged structures. Although the rebuild could not have been completed without the substantial insurance claim, it was still a considerable expense for the club as upgrades were implemented. Club members volunteered to clean up the debris, however, contractors were required for the new construction. The shooting pavilion canopies were rebuilt for the pistol and rifle ranges, a larger Maintenance Barn was constructed and the All-Weather Building was rebuilt and expanded to include meeting rooms and storage facilities. The committee process itself took significant time as well as the new construction.

Not Using the Club Much Anymore?

Not using the club anymore? Need some extra cash? Perhaps you would like to sell or transfer your membership. Contact member services for information. The club maintains a waiting list of potential buyers. If you are interested in selling or transferring your membership email memberservices@ocrgc.com

Major Maintenance Projects

The Building Committee, with the support of the Board of Directors, continues to work on needed major maintenance projects.

Extensive club-wide improvements on ditches and culverts was in progress through most of August. Ditches are noticeably wider and, in some cases, deeper. Regardless they will carry considerable more water than previously. Wherever possible ditches are sloped to readily allow mowing. Where culverts were replaced, they are larger diameter to carry more runoff and often longer length to allow easier vehicle access. Work included improved drainage in Shotgun Sports area. When planting conditions allow, we will be seeding newly freshed out ditches. Please stay off the tender grass as it grows. To conserve money, we're going to allow natural environmental effects to clear much of the soil deposited on the roads. When it's gone in a few weeks we'll topcoat with gravel.

Work also has been recently done to clean the club's north-south creek for better water runoff. Drainage on the south side of the Skeet Operations building has been improved to help keep water out of the building.

Request for Bids for the Trap Building is deliberately moving along slowly. We're watching for building materials cost to roll back. Goal of the RFB for the Trap Building is to take it to a "pleasant sow's ear" level, like the work done early this year on the R/P Bldg. Work will include exterior paint, door replacements, new HVAC, windows upgrade, porches over man doors, and new carpet. Not a new building, but a tolerable better one for member use.

Building Committee

Larry Bahler, Brad Chaffey, Richard Morgan, Bob Williams, Jack Ostendorf (chair)

THINGS TO KNOW

Please Give Contractors Ample Space to Work and Do Not Disturb

As work begins on the roads, ditches and culverts, you may encounter heavy equipment where work is being done. Use caution around equipment and obey any signs or any tape barriers the contractor may post. The safety of the contractor and our members is paramount. Remember "Safety is Everybody's Business".

Work on the ditches, culverts and roads will take around 3 weeks with good weather. Start date to begin is anticipated to be the first week of August. Work is expected to occur Monday-Friday's. Depending on where the contractor is working, the gate access may change. Watch for signs. The contractor won't leave an old culvert pulled and not replaced. Traffic may need to yield to a dump truck being filled with ditch spoils or laying down fresh gravel, also M-F.

Jack Ostendorf

DINNER MEETINGS

Dinner Meetings are 3rd Monday of each month, 7 PM at the MCH 101st gate will be open at 6:30 PM. Menu is announced in the Event BCC Email sent to interested members. If you'd like to be on that list please send email to jack38@windstream.net

Dinners are a great opportunity to meet other members and catch up on happenings at your Club.

If you'd like to be the guest chef for a future dinner, please contact Jack Ostendorf 918-259-9601 or jack38@windstream.net

VIDEO SURVEILLANCE IN EFFECT

The Board will deal severely with the tiny minority who choose to cause risk or damage to the Club.

Those many individual members who are following the Range Rules and using good common sense have nothing to fear from this or other Club security features. The features are to protect you and your Club. Please continue to safely enjoy the Club with your family and friends.

Board of Directors

SAFETY IS "EVERYBODY'S BUSINESS" AND YOUR #1 JOB AT OIL CAPITAL

Please use your head at all times. Follow the range rules. Be aware of what goes on around you. Stay focused on Safety.

Members are necessarily held to a high standard of safety; firearms use demands this. Failure to follow the range rules and good common sense use of firearms can result in the loss of your membership. The Club Has taken possession of individual's memberships in the past, when serious situations warranted this action.

Please be safe while enjoying your club. Assist other members to be fully safety conscious.

INDOOR AIR GUN

We have about 12 to 18 shooters each Thursday evening. The targets are NRA air gun-sized metal silhouettes made to be shot outdoors, at up to 45 yards. We shoot them indoors at 11 yards. Practice is from 4 PM until 6 PM. We shoot pistols first and then rifles, going home by 8 PM. Most people will let you try their air guns, so you can see what it's like to shoot a modern air gun.

COWBOY ACTION SHOOTING

Tator Hill Regulators shoot two times (most months). 3rd Sunday, we shoot regular Cowboy SASS rules, lead bullets only. You'll need 2 revolvers a lever or pump action rifle in pistol caliber and a shotgun, SxS or pump.

In months where we have a 5th Sunday we shoot rimfire .22. Rifles must be lever or pump action. Pistols can be any semi auto or revolver. If shooting a semi auto bring 2—3 magazines and if your shooting a revolver bring 2 of 'em. Shotguns can be side by side, pump action or auto loader, 20,16 or 12 ga. Shells must be lead 7 1/2, 8 or 9 shot.

You won't need holsters for the rimfire shoots, all the guns can be staged or holster optional.

Restrictions: NO OPTICS—NO TACTICAL These matches are great for beginners or those who want to shoot friendly competition without any pressure. Our goal is to have fun and enjoy shooting with some really nice folks.

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

Board of Directors

Volunteers Needed

The Club has several projects in the works that require extra hands. We need to do some repairs and other projects around our facility and would appreciate our Member's help. If you can donate some time to help improve the club please contact Bob Williams for a work date.

BUILDING CLEANING CONSIDERATIONS

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.
