2024 RAFFLE IDEAS & DONATIONS

It's time to start thinking about the upcoming 2024 fireworks display fund raiser raffle. I would like to kick off the raffle in January. Last years raffle was the largest in club history and was a huge success. We will continue the single ticket multiple winner format as every ticket has multiple chances to win. I need ideas from you guys so the prize choice will be what you want rather than what I think. I could also use some volunteers to help with the fund raising as it is a lot of work. Send your ideas or desire to help Jack Killingsworth – memberservices@ocrgc.com

The business meeting minutes have been moved to the main page of the clubs website. Go and check it out.

2024 DIRECTOR ELECTION

On the next page you will find the candidates for the class of 2024 directors. Resumes for each candidate are listed. The election will be conducted by electronic ballot using Survey Monkey and takes less than a minute to complete. You will be notified when the voting begins. Voting will conclude at 7pm, December 11th. All voting will take place from the clubs website. Winners will be listed on the First Shot of the clubs website.

CANDIDATES FOR THE CLASS OF 2024 DIRECTORS

Rick Peeler - As an active member of Oil Capital since 2018 I found Oil Capital a great facility and was honored when I elected to the board in 2020. I have been an active member of USPSA since 1996 and fully engaged with Steel Challenge competition that Oil Capital sponsors and endorses. I bring 41 years of business experience as a facility manager at Dresser-Rand company in the oil and gas industry. During my tenure as an Oil Capital board member, I have served on the budget and policy committees. My goal is to work on the continued improvement of Oil Capital to become one of the top shooting facilities in the region. As a member of the local Oil Capital community, it is important to me to also encourage all types of shooting sports in our area. I am running for re-election for another term and would appreciate your consideration.

Gary Kruse - I joined OCRGC in the 70s and became a board member in 2000. I have been Treasurer for the last few years. As Treasurer, I arranged for all of your club money to be in insured accounts at the best possible interest rate. I am a NRA, DU and SASS member and can be seen most weekends on the shotgun fields and rifle pistol ranges or around the club delivering pop that I purchased on sale to maximize club profit. I also serve as board contact for the shotgun area. I have served on many committees and participated in many work parties. I have always voted and pushed for what I think is in the best interest of the club as a whole and to spend your money for only necessary items.

Jack Killingsworth - It has been a privilege serving our club the past 25 years. Currently my duties to the club include Vice Chairman, Director of Membership Services, Membership Clearinghouse, Shooting Events, Programs, Communications, Education, Budget, Finance & Insurance, Webmaster and Target editor. I also sit on the policy committee and chair the 4th of July fund raising. Other duties include new member orientations, club liaison and representative to NRA, ORA and CMP. I am also a life NRA member and belong to ORA. I actively compete in Military Bolt Action Bench Rest and serve as event chairman. I also enjoy Cowboy Action Shooting, Skeet, Wobble and plinking. Past projects I have worked on include the all weather building and pistol range expansion, tornado reconstruction committee. I also host the swap meets we continue to enjoy. I take pride in serving our club as a director and hope to continue.

Alan Hart - I would like to join the Board to assist the management of the club. I have been in banking for more than 20 years. I have been a member for more than 36 years, serving as Treasurer for two years and was instrumental in running the Single Shot matches over the past twenty plus years. My main shooting passion currently is Black Powder. I believe that service to others is what defines us and want to help this club. I helped install the target frames at the 100- and 200-yard range when we first moved to this location, removed the old concrete benches and installed the benches we have today as well as helping to enclose the R/P building and extend the pavilion. I think there should be more transparency between the board and the member's so everyone knows what is going on and affecting each other.

Do you remember when?

In 1989, under President Terry Stunkard, there were 716 active memberships. A membership cost \$177.50 and dues were \$75. The dinner meeting meal was \$3. The Club took on several projects that year including electrical service for the Skeet Club House, \$1,750 appropriated for water to the skeet fields and replacement of the electrical cable. Ten RV electrical utility boxes were purchased for \$300 and \$1,600 was spent to rebuild the 100-yard rifle range. The members also voted to light the skeet fields. Some of the programs mentioned in the minutes for that year include a Club Skeet League and a National Skeet League utilizing the Club, a pistol club and rifle club with the State Pistol Championships being held at the Club on May 20 and 21, 1989. Small bore shooting was mentioned as well as the archery program. A Schutzenfest target shooting competition was again held at the Club. Bingo was still around as well as dances and holiday parties. The year ended with the Christmas Party being held on December 18th.

Northeast Area FFA Shotgun Shooting Sports Contest

On October 18, 2023, the FFA and Oklahoma Wildlife Department held the Northeast Area FFA Shotgun Shooting Sports Contest at the Oil Capital Rod and Gun Club. This involved high schools roughly North of I-40 and East of I-35. Each school can have a junior team and a senior team with four students per team. This is one of the five area contests held throughout the state with the state championship to be held in November at Arcadia. FFA coordinated the participants, and the Oklahoma Wildlife Department provided the equipment and monitored safety. Volunteers that helped with scoring this year included personnel from Connors State College and the U.S. Marine Corp.

Sooner State Fall Muzzle Loading Championship Shoot

Between October 19 and 22, 2023, Lonnie Vermillion and his crew from the Oklahoma Muzzle Loading Rifle Association held the State Fall Muzzle Loading Championship shoot at the Oil Capital Rod and Gun Club. The shoot consisted of pistol shooting as well as rifle bench shooting and offhand shooting. The shoot was held to national standards and Andy Larson, a board member of the National Muzzle Loading Rifle Association, was in attendance with his wife Susy. They traveled from Houston Texas. Also in attendance was Tambi Dudley, importer of Schuetzen Black Powder, attended from Arlington, Texas, and provided a case of powder as a prize at the match. This group is particularly friendly and indicated if you come out, someone will find you a gun to shoot. When asking Lonnie's son Jesse, an eight-time champion himself, for any shooting advice he indicated you should NOT do warm up shots. He practiced all morning with results in the 9 and 10 ring to join the match with a less than desirable outcome! It had to be the warm-up shots. This year the team gave out ribbons, medals and trophies for match leaders. There are more shoots to come this year so you still have a chance to get involved.

Military Bolt Action Benchrest State Shootoff 2023

Smallest group went to OKC Gun Club team member Travis Goltry with a 1.27" group, High Score also went to Travis Goltry with a 298-16X. 2nd place - OKC Gun Club with 1444-36X 3rd place - OCRGC with 1441-32X 4th place - SCRAP with 1340-9x Next years shoot-off will be held at OKC Gun. The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

BUILDING CLEANING CONSIDERATIONS

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.

Another Successful YOUTH event at OC

Thursday, October 18, the Oklahoma Department of Wildlife Conservation hosted the Oklahoma FFA Regional Sporting Clays event.

100 teams from schools across eastern Oklahoma entered up to four participants. Our shotgun area was really crowded with school buses, and parent vehicles. All participants shot over/under shotguns provided by the ODWC. High scoring teams and individuals will compete in the State Sporting Clays event November 15, at the Oklahoma City Gun Club.

Our thanks to ***Jimmy Kinsey***, who served as our club host for the day.

YES, we are looking to spend some \$\$ on club-site improvements!

We've had some concern expressed regarding recent actions by the Board, including the roads, drainage, and lakeside and berm repairs. However, I'm confident the vegetation will grow back, the ditches will fill back in, and the potholes in the gravel roads will return as usual.

But along with these concerns, some rumors were questioned. Specifically building new or modifying existing ranges or buildings. Please consider the fact that when the club site design was implemented in the '80's many of the shooting disciplines have since evolved or possibly vanished.

Yes, some of the rumored items have been, and are being considered as we look forward to meeting the needs of our membership. But please let me assure you that the cost of these major improvements is such that these projects are well over the spending limits for the Board and will require a VOTE of the membership to move forward.

So, let's do this, at our next scheduled membership/dinner meeting, on Monday, November 20, I will make a presentation and display graphics of the improvement ideas that have been suggested to the Board. Each one on the table has its pros and cons, and the costs vs. benefits must be considered.

Dinner is only \$8.00 and will be served at 7:00pm. Please make your reservation via email to Jack Ostendorf at jack38@windstream.net. Should you opt not to dine with us, please plan to arrive after 7:30 as dinner seating is limited.

Membership Vote coming soon

At the October Board meeting, the Clearinghouse reported that there are currently over 50 candidates on the waiting list. I might suggest if you have a friend or relative who you would like to sponsor for membership, that you submit their contact information to Membership Services at wikjr@juno.com.

We anticipate a ballot to increase our member cap by only 75 additional members to be submitted in the next thirty days. You would not want to miss this opportunity for your nominee to join you at the club.
