Change to read:

*Section 1. The Members of this organization shall be all persons who have been, or may be, regularly received into or affiliated with the Oil Capital Rod and Gun Club in accordance with all existing and applicable Bylaws. The **membership total shall not exceed 900 members**, which total shall include all classifications of memberships except Life and Honorary Memberships.*

Do you remember when?

The year 1973 started with \$4,829.13 in the bank. Yearly dues were \$20 and the Spunky Creek Club House was getting air conditioning. There was archery deer and pheasant hunting, fishing trips to Spencer Creek on Lake Oologah, Kerr, Greenleaf and Gore Landing. There was a crow hunt as well as a frog hunt in June. The Club held several dances and parties and held a "smoker" with drinks earning \$40. There was a three-day campout in July coupled with a dance that was very successful and netted the Club many dimes in fines at the next meeting for the outrageous stories told! There was National Hunting and Fishing Day activities as well as a Wally Tabor show. The Ducks Unlimited Dinner was also a success. A gun show was held netting the Club \$229.24 in profit.

One interesting event that year consisted of the Northeast Preliminary Goose, Duck and Crow Calling Match on June 8, 1973. The event was held at the clubhouse and officiated by two national winners from Arkansas. A \$100 prize was awarded for first place in each category and merchandise prizes for second and third place. Club member Jim Jackson won the duck calling category and Honorary Member Jim Daugherty won the crow and goose calling categories. The finals were held in Henryetta, Oklahoma, on June 16th.

ANNUAL CHRISTMAS DINNER

Make plans to attend the annual Christmas Dinner Meeting in the Main Clubhouse at 7pm Monday, December 18th. While the menu for the evening hasn't been decided yet, you can bet it will be delicious as always. Bring a dessert dish and share the fun and festivities the evening will bring. Good food, good times and good fellowship.

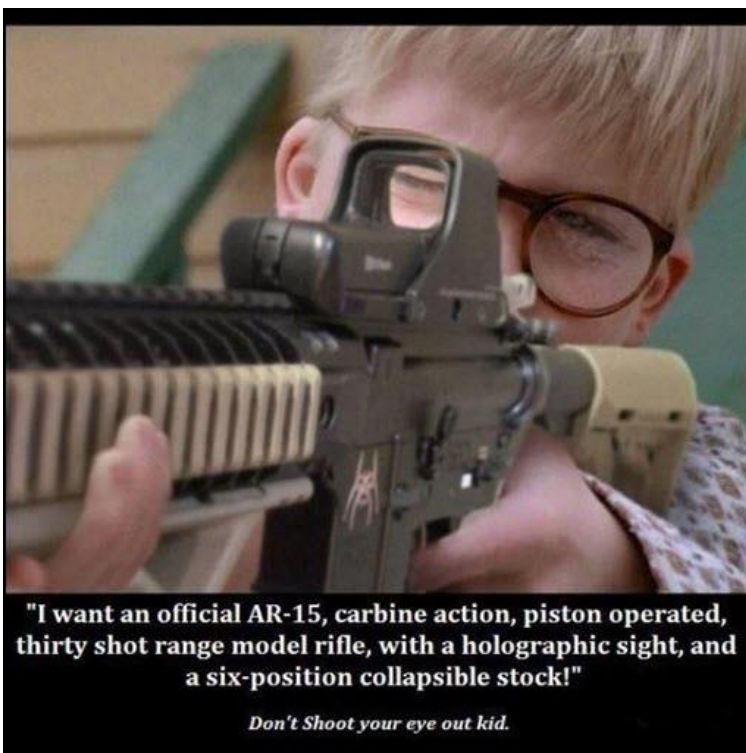

Have you looked at the Swap Meet Area of the Clubs website? You can now post photos of your items for sale!

2024 DUES COLLECTION IS IN THE FINAL PENALTY PHASE

If you haven't paid your dues by now you should probably think about sending them in now before you forget. Late letters have been sent and if you received one, this is the last you will hear from the club officially. There may be a few reminder calls but don't expect that either. If you are a habitual late payer you may not receive a call. Dues must include the \$75 dues penalty or they will be returned. If you cannot find your dues invoice or need a replacement, contact member services for a replacement or download the generic form from the club's website.. If you haven't used your membership for some time you might consider selling it. You may use the Authorization to Sell form on the back of the Target, download from the website or by requesting from memberservices@ocrgc.com. Dues penalty will be deducted from the sale proceeds if dues are unpaid.

2024 Dues are collected from September 1st through October 31st without penalty, dues collected from November 1st through December 31st will incur a \$75 penalty. Any Membership with unpaid dues at midnight on December 31st will revert back to the club inventory January 1st, 2024 and will be sold. Remember that our 2024 dues were increased to \$150 in July 2022 by the members.

Per the Bylaws, failure to receive a dues notice does not excuse the member from paying dues on time. If you have not received a dues notice by the 2nd week of September you should email Membership Services to request a replacement. You may also download a blank dues notice from the "First Shot" on the club website. When you write your check please be sure to include your membership number and note 2024 dues on the memo line. You may either mail your dues to the club P.O Box or place in the drop box in the Main Club House. For best insurance, you may hand carry to my residence. If you deposit your dues in the Main Club House please notify member services by email. memberservices@ocrgc.com

2024 RAFFLE IDEAS & DONATIONS

It's time to start thinking about the upcoming 2024 fireworks display fund raiser raffle. I would like to kick off the raffle in January. Last years raffle was the largest in club history and was a huge success. We will continue the single ticket multiple winner format as every ticket has multiple chances to win. I need ideas from you guys so the prize choice will be what you want rather than what I think. I could also use some volunteers to help with the fund raising as it is a lot of work. Send your ideas or desire to help Jack Killingsworth – memberservices@ocrgc.com

2024 DIRECTOR ELECTION

TIME IS RUNNING OUT! IT TAKES ONLY A FEW SECONDS TO VOTE!

On the next page you will find the candidates for the class of 2024 directors. Resumes for each candidate are listed. The election will be conducted by electronic ballot using Survey Monkey and takes less than a minute to complete. You will be notified when the voting begins. Voting will conclude at 7pm, December 11th. All voting will take place from the clubs website. Winners will be listed on the First Shot of the clubs website.

VOTING ENDS AT 7PM, MONDAY, DECEMBER 11TH

CANDIDATES FOR THE CLASS OF 2024 DIRECTORS

Rick Peeler - As an active member of Oil Capital since 2018 I found Oil Capital a great facility and was honored when I elected to the board in 2020. I have been an active member of USPSA since 1996 and fully engaged with Steel Challenge competition that Oil Capital sponsors and endorses. I bring 41 years of business experience as a facility manager at Dresser-Rand company in the oil and gas industry. During my tenure as an Oil Capital board member, I have served on the budget and policy committees. My goal is to work on the continued improvement of Oil Capital to become one of the top shooting facilities in the region. As a member of the local Oil Capital community, it is important to me to also encourage all types of shooting sports in our area. I am running for re-election for another term and would appreciate your consideration.

Gary Kruse - I joined OCRGC in the 70s and became a board member in 2000. I have been Treasurer for the last few years. As Treasurer, I arranged for all of your club money to be in insured accounts at the best possible interest rate. I am a NRA, DU and SASS member and can be seen most weekends on the shotgun fields and rifle pistol ranges or around the club delivering pop that I purchased on sale to maximize club profit. I also serve as board contact for the shotgun area. I have served on many committees and participated in many work parties. I have always voted and pushed for what I think is in the best interest of the club as a whole and to spend your money for only necessary items.

Jack Killingsworth - It has been a privilege serving our club the past 25 years. Currently my duties to the club include Vice Chairman, Director of Membership Services, Membership Clearinghouse, Shooting Events, Programs, Communications, Education, Budget, Finance & Insurance, Webmaster and Target editor. I also sit on the policy committee and chair the 4th of July fund raising. Other duties include new member orientations, club liaison and representative to NRA, ORA and CMP. I am also a life NRA member and belong to ORA. I actively compete in Military Bolt Action Bench Rest and serve as event chairman. I also enjoy Cowboy Action Shooting, Skeet, Wobble and plinking. Past projects I have worked on include the all weather building and pistol range expansion, tornado reconstruction committee. I also host the swap meets we continue to enjoy. I take pride in serving our club as a director and hope to continue.

Alan Hart - I would like to join the Board to assist the management of the club. I have been in banking for more than 20 years. I have been a member for more than 36 years, serving as Treasurer for two years and was instrumental in running the Single Shot matches over the past twenty plus years. My main shooting passion currently is Black Powder. I believe that service to others is what defines us and want to help this club. I helped install the target frames at the 100- and 200-yard range when we first moved to this location, removed the old concrete benches and installed the benches we have today as well as helping to enclose the R/P building and extend the pavilion. I think there should be more transparency between the board and the member's so everyone knows what is going on and affecting each other.

Membership Vote approved by your Board

If you have followed my articles over the past several months, you certainly, by now, understand my excitement to open our club membership cap adding an additional 75 members, which is just over 9% of our current limit.

At our November meeting your Board approved the motion to submit this initiative to the membership. You'll see elsewhere in this edition of the TARGET, the formal announcement of the ballot, which will open for your consideration the day following the December Board meeting.

And please understand that should this bylaw amendment be approved the Membership Services committee will require some time to work thru the existing wait list. It could take six to eight, possibly more, months to offer and process the new memberships. And don't forget all new members must participate in the club Orientation before receiving their membership credentials.

Club-site improvements!

Although the crowd at the November dinner meeting program was not overwhelming, I believe it was well worth the time for those in attendance. Lots of questions were asked. Some were answered, and others need some research.

There are a good number of ideas on the table, and a like number of "Just who is this improvement going to benefit?"

One thing for sure, some of the shooting disciplines and "games", etc. are not necessarily those that were popular when our club facilities were initially designed in the 80's. What's your vision for the Club going forward?

Club members are always welcome to attend the Board meetings and, of course, the monthly Dinner meetings on the 3rd Monday. We'd like to hear from you, and even better, see you.

And please remember, we cannot commit to ANY major expenditure over \$20,000 without a majority approval of the club membership voting the question.

Target Systems on the East-end Ranges

First, a pat on the back to our volunteers, Bob Williams, Brad Cheffee, and David Beller, who work tirelessly to keep our Target Frames and Backers in usable condition.

BUT we need your help !!

On Thanksgiving Day, my son and I had a chance to shoot on one of the 25yd ranges. In all, we each shot over 200 rounds of pistol and I'm proud to say we didn't have a single stray onto the wood frames or posts. So, I'm curious as to how our wood is getting destroyed so quickly.

So please, be aware of the location on the backers that you are stapling your targets. And for gosh sakes, don't staple your targets to the wood frames or upright posts. Our lumber costs this year have far exceeded our budget.

Dinner Meetings

Dinner meetings are held on the 3rd Monday of each month. We meet at the Main Clubhouse at 7 PM to enjoy the night's meal and each other's company. Members and guests are welcome at the meeting. At the meal's conclusion, current Club events are shared. Current meal price is \$8; please bring exact change.

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

MEMBER POLL - Vote Now!

The BR-50 shooters approached the board about replacing the 50yd range wood benches with concrete to provide them a more stable shooting surface. Rather than making the decision, the board would like for you to decide. The poll is open on the club's website. It only takes a second to vote. - ed

BUILDING CLEANING CONSIDERATIONS

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.
