Do you Remember When?

1966 began with \$3,151.56 in the treasury and plans for a crow hunt, a fishing trip to Lake Ouachita, bingo night, a turkey hunt in Spring, a skeet match and a trip to the horse races. A new walking archery range was completed by spring and the Game Division of the Oklahoma Wildlife Commission presented a program entitled "HOW, WHERE and WHEN to HUNT TURKEYS in the SPRING." The March 1, 1966, meeting minutes reflect they presented a "sound movie and demonstration of turkey calling." The Club held a campout at Spunky Creek on March 5, 1966, and a 200-yard rifle range was set up by spring. The March 21st meeting minutes reflect that "members were urged to use caution shooting at that distance." A Club Easter egg hunt was held with 3,000 eggs. The lake was repaired as it was leaking water. The Club hosted a Wally Tabor Show of High Adventure Films with the May 16, 1966, minutes reflecting 486 tickets being sold. Members took a trout fishing trip below the Keystone Dam in June and a youth campout and fishing day was held on July 24th. Zebco provided prizes. The Club also hosted a July 4th picnic. It was noted at the June 20, 1966, meeting that "there will be no major jobs of any type undertaken without contract bids in the future." During the pleasant months the members met at Spunky Creek and at the Zebco meeting hall in bad months. In October a duck calling contest brought in 350 participants and a club weenie roast brought in 50 participants. The fall brought heavy rain washing out the lake dam which took substantial effort to repair. By November the lake was back in good shape. The year closed with \$120.85 going to the chosen Christmas family. It is interesting to note that of the \$5,731.55 in receipts for the year, dues accounted for \$1,507.50 and raffles accounted for \$2,553.83.

Annual Christmas Dinner

The menu for the Annual Christmas Dinner hasn't been finalized but you can be sure it will be a meal to remember. Once the menu has been determined, it will be posted on the First Shot. We meet at the Main Clubhouse at 7 PM to enjoy the night's meal and each other's company. Members and guests are welcome at the meeting. At the meal's conclusion, current Club happenings are shared. Current meal price is \$8; please bring exact change.

The month's meal menu is announced via a BCC email, to those who sign up for the list. In the event it's necessary to cancel the month's dinner, the same list is utilized for the BCC email cancel notice. Please send email to jack38@windstream.net to get on the dinner meeting list.

We have a voluntary (but recommended) RSVP program. The purpose is to help us better plan for the number of the crowd coming to dinner. We'd like to serve all full portions of the meal. If you think you are coming to a given dinner, respond with your name (and number in your party) to jack38@windstream.net by NO LATER than the Sunday at 7 PM prior to the dinner on Monday (7 PM). That timely 24 hr. minimum response puts you in the First Call to join the serving line. Those not on the First Call list automatically go to the Second Call list to join the line. They will be called just a few minutes later. A complete plate of food is not promised for all of those on the Second Call list. Some entrées must be sourced more than 24 hrs out; the same entrée cannot be promised, if more must be secured on short timing.

2025 Directors Election Ends at 7pm, December 9th

The nominating committee rounded up 6 resumes to fill the 3 board seats available for the class of 2025. The election will be like the last one where your ballot will be emailed directly to you. You will receive a password email just like before. Once you receive your ballot, you are ready to vote. The password email and ballot will be mailed at the same time. Those persons who are receiving the newsletter are those who will receive a ballot. The last time we voted, Cox emails and a couple of other proprietary emails for some reason could not receive the ballots. If you are one of those who had trouble that last time send me an alternate email address to use. Reminders will be automatically sent about every 7 days to those who did not vote. It only takes a 1 minute to vote. If you are not registered on the club's website and want to vote, contact member services and we will get you fixed up.

On the next two pages are the candidates for the class of 2025. Some faces you will recognize as former directors and there are 3 new faces. We have a fine selection of candidates who are ready to take on the duties of director. Please read the resumes carefully and you will find that we have some very talented individuals to pick from. I welcome all and wish each lots of luck.

2025 DIRECTOR RESUMES

Ian Zacher – Member since 2013. Experience: Range officer at sanctioned shooting competitions, organizer and facilitator of sectional and Area 4 USPSA matches, active participant in USPSA, IDPA, and Steel Challenge events at Oil Capitol. Passionate about the promotion and education of shooting sports. Enjoy casually shooting shotguns and rifles, as well as fishing.

Profession: Master Diagnostic Automotive Technician, working in the field for twenty years with team lead and training responsibilities for over 10 years.

If elected to the board, I will be committed to strengthening the club's financial stability while prioritizing improvements to our facilities. I believe in creating a more approachable and responsive board to foster open communication and active member engagement. My goal is to build on the strong foundation of Oil Capitol, ensuring members see continued growth and benefit from their investment for years to come.

James Wallace – I have been an active member of Oil Capital since 2015 and enjoy this great facility. My family and I love all sorts of shooting sports from handguns, rifle and shotgun activities. I have been an NRA member for over 45 years and was brought up to respect safety and a love for our 2nd amendment rights. I recently retired from American Airlines with over 32 years and the last 12 years as a Maintenance Training Specialist. I have been an Assistant Scout Master and trained on 2 Wood Badge Courses as well as many other Adult Leader Courses. I feel I have more time now to help at our club since retirement and would appreciate your vote for me as Director.

Gary Killingsworth - I've been an Oil Capital member since 1996, during that time I served two terms on the Board of Directors and as the Target Editor for 6 years.

I've volunteered my efforts for many club projects such as the original "All Weather Building" the wall project, pistol bay expansion and many other events including the Independence Day fireworks raffle, new member orientation and I also served as the pop chairman for 4 years.

Our club is one of the best facilities in the state and I would appreciate the opportunity to serve again with focus on our members and their access to the club to enjoy with their family and guests. I have participated many events such as IDPA, Steel Challenge, Skeet and currently Military Bolt Action Rifle, .22 Rimfire Rifle, Cowboy Action and shotgun sports at our club. Please support me for a new board term.

2025 DIRECTOR RESUMES

Tim Douglas - I'd like to serve you as Director. As a member of the Club since 2017, I enjoy the facilities frequently. As a member of the NRA, NRAOK and GOA, I firmly believe in the Second Amendment. I participate in IDPA matches, where I am a Chief Safety Officer. I serve as the assistant match director for OC IDPA, and helped grow the activity by starting the Tuesday evening matches, where I serve as match director. I have also shot Defensive Rifle, Steel Challenge and USPSA. I want all OC members to have the opportunity to pursue their own interests, whether it be shotgun, rifle, pistol, archery or fishing, in a safe, comfortable and well-maintained setting. As a former business owner, I recognize the need for financial responsibility. I understand that facility

maintenance must not be neglected, lest it become a much larger financial burden. Thank you for your consideration.

Rick Peeler - I have spent over 41 years in management positions in the oil and gas industry. I have been a member of Oil Capitol since 2018 and actively participate in several shooting disciplines that OC provides. I have been a previous board member from 2020-2023. Over the past year I have seen a major decline and deterioration of our club and facilities. I feel there has been too much talk and not enough action in the decision-making process that prevented repairs and needed upgrades to the club. OCRGC should and could be a premier facility that serves all members and a club to be proud of. If elected to the board, I will do my utmost to ensure transparency and that repairs/improvements are performed in a

timely manner. I would appreciate your support and consideration in this upcoming election.

Larry Bahler - OC member since 1995

OC Board Member 2013-2024, Board Chair: 2013-15, 2019-24

OC Rep. to Green Country Friends of NRA Committee: 2009-22

NRA Endowment Life Member, NRA Training Counselor, Inst'r & Coach

USA Archery Level 3 Coach, Instructor-Trainer, NASP Archery Instructor

Eagle Scout, Adult Scouting volunteer: Cubmaster, Scoutmaster, Council

Training Chair, Council Shooting Sports Committee Chair.

Faculty-BSA Philmont National Training Center, 2006-19

Staff for 9 BSA National Jamborees, Member of the BSA National Shooting-

Sports Task force

Education: Oklahoma State University, BS Industrial Engineering

Professional: Retired, Materials Superintendent, Ford Motor Co., Tulsa Glass Plant

I believe the future of shooting sports lies in our willingness to share our knowledge, skill, attitude, and enthusiasm with our youth. Bring a young person to the range!

FINAL DAY OF THE PENALTY PHASE IS NEARING A CLOSE

2025 DUES WITH PENALTY ARE \$260

Time is running out. We are in the last month of dues collection and in the final days of the penalty phase. Dues received by the club must include the \$75 penalty or your check will be returned. 37 members dues are still unpaid. On January 1st it won't matter. The bylaws are unforgiving and unless there is a medical reason, your membership will belong to the club. Also if you pay your dues with a check with insufficient funds, thinking that will by some time, you will be wrong. Insufficient funds is the same as the failure to pay dues and your membership will be lost because the bylaws regulated. During this time, the mail will only be picked up once per week and deposits will be made every other Friday. To see that your dues have been posted, you can check the "PAID" list on the club website under "The First Shot". There will be a update note letting you know the current posting date. Before licking that stamped envelope, please be sure to proof read your checks. Check for signature and member number. Verify your check is filled out correctly. Finally do not send post dated, counter checks, or 3rd party checks. Those will be returned to you. Please do not staple anything.

2025 Dues are collected from September 1st through October 15th without penalty, dues collected from October 16th through December 31st will incur a \$75 penalty. Any Membership with unpaid dues at midnight on December 31st will revert back to the club inventory January 1st, 2025 to be sold. Remember that our 2025 dues were increased to \$185 in August 2024 by the members.

Per the Bylaws, failure to receive a dues notice does not excuse the member from paying dues on time. You may also download a blank dues notice from the "First Shot" on the club website. When you write your check please be sure to include your membership number and note 2025 dues on the memo line. You may either mail your dues to the club P.O Box or place in the drop box in the Main Club House. If you deposit your dues in the Main Club House please notify member services by email. memberservices@ocrgc.com

A Savage Would Stop Him

Slide Action or Bolt Action—
Savage has the rifle for you

If you like a Slide Action—the New Model 25 Savage .22 caliber repeater is shown below. Notice long barrel, pistol grip stock and shape and placement of slide handle—no cramping of arm or wrist there. It's sturdy too. Solid breech, solid top—no exposed parts.

Or maybe you're strong for a Bolt Action

The Savage Sporter is the most gun for the money on the market. A five-shot repeater made in three different calibers—full length stock of selected black walnut—bolt half-cocking on opening stroke—full cock on closing—a smooth fast action. And accurate—it has the same barrel as the famous Savage N.R.A. Target Rifle that is used by world famous rifle experts.

Smoother handling, straighter shooting rifles simply do not exist. Ask about them at your dealer's.

Chairman's Corner

by: Larry Bahler

Hey, the Gate Doesn't Work!

The past month saw a few outages at the front gate, and several club members were concerned their credentials no longer worked. Well the fact is that our provider to the west end of the club site, PSO, was working on the systems elsewhere and, as a result, we were down. And please be aware that we have two service providers, PSO and Lake Region Electric. LRE serves the east portion of the club site.

Look'n Good

As mentioned in previous postings, Brad Cheffee has been serving as our lead for the tree trimming and fence projects. We'll if you haven't driven out to the club lately, you are in for a surprise. Our property boundaries along 101st and 305th have been cleared and our contractor is now repair/replacing our fencing. By the time you read this, that job should be complete.

And finally, RWD-5 has removed the panel and filled in the abandoned water pump system at the 101st corner.

Skeet at Oil Capital

At the November Board meeting Daryl Cline representing the OSSA presented some details regarding an opportunity for Oil Capital to host a registered Skeet shoot this coming Spring. Jim Waite, chair of the Oil Capital Trap Shooters, has since furnished a Trap calendar, and a major Skeet spring activity will fit nicely into the schedule. As such we have forwarded potential dates, and upon approval by the OSSA, we will then make a decision whether or not to move forward.

To make this all work, we'll have to "wake-up" our long-sleeping machines and make sure they are working properly. One way to do this is to start using some of the Skeet fields that have been dormant ... so here's a good excuse to dust off that shotgun and bust some clay.

25-1 & 2, + Pistol L/R

A shoutout to Rick Peeler as all of our walled ranges are now back in service. The walls have been backfilled and metal caps installed over the top.

Although usable, we still need to caulk and paint all the wood surfaces. And "Yes" we are looking to do this as a "volunteer" job. Please contact Bob Williams or Brad Cheffee.

Did you ever wander ... "Where do all the Target Backers come from?"

Well, it's our "grounds gang" that repairs and replaces them on a monthly basis. They are 5mm corrugated plastic. So, you don't have to count 'em, here's some trivia. The 45

backers on the 50 and 100yd are 4'x8', and the 32 boards on the 200yd are 4'x4'. However, over on the 25yd and AWSB bays the count is 26 at 4'x 32". The 25yd backers reveal heavy use, but

don't be dismayed should you find the backers are unusable. Just go over to the south side of the maintenance barn and swap out for a new one.

Oil Capital Member Donations Help Make Christmas Special

Christmas Basket donations from Oil Capital Members resulted in 65 families receiving \$65 Reasor's Foods gift cards.

OCRGC Director Bob Williams said three cards were distributed to families chosen by Oil Capital members. The other 62 were selected by the Coweta Chapter of the Disabled America Veterans.

Reasor's gave the club a discount on the gift cards which enabled more cards to be purchased.

The small note shown here was attached to the cards when the DAV distributed them.

For many years we purchased food and organized a date to stock giveaway tubs with everything needed for a good Christmas family dinner. As a result of the pandemic, we started giving away gift cards instead. The feed back on the cards has been very positive and we plan to continue using the cards

OCRGC is proud to help some of our member families and needy veterans and their families..

While most of the donations come to the club as part of the dues process, we welcome donations for this worthy cause at any time, Any donations marked for the program that are dropped into any of the club drop boxes will be included with the donations from dues payments

Thank-you for you participation. Gary Kruse 2024 Treasurer

Happy Holidays!

It is with great please that we are able to help our neighbors in need during this holiday season. Please accept this Reasor's gift card to help make your Christmas a little more "merry and bright" as you gather for your holiday celebration.

May God continue to Bless you and Light your way when at times it seems a little dark....from your friends at Oil Capital Rod & Gun Club in cooperation with Reasor's Foods – Broken Arrow
