Website:

No activity.

Target:

Resumes of those members wishing to be considered for a board position are posted on the website. Voting for the three board positions will begin November 11, 2025, and voting will close at 7PM on December 8, 2025, with winners to be announced at the December 8, 2025 Board Meeting.

Security:

Jack Ostendorf reported that we continue to find the A/C left on/heat left off in various buildings, the green lights left in the on position at the rifle range, and various doors and windows left open throughout the month.

Batteries have been replaced in all door locks.

Cleaning:

The Trap Palace has been removed from the cleaning contract, pending demolition.

It was also noted that members are not doing a good job of cleaning up their own messes in areas where the cleaning contractor does not provide service. It is incumbent on all members to clean up after themselves.

Policy/Bylaws:

No activity.

Insurance:

The club is actively soliciting quotes for an umbrella policy. The club was informed that our current workman's comp policy would not be renewed. Still waiting to hear from agent on Workman's policy renewal.

The "old" brush hog has been removed from our policy since it has been sold.

Equipment:

Ian Zacher reported that error message have returned on the John Deere tractor. The club will take advantage of "free pickup and delivery" in early December for the tractor and the gator to be taken in and worked on. (subsequent to the board meeting, Ian Zacher stated the equipment will be picked up by P&K on December 2, 2025).

Jack Ostendorf is still looking into options to replace the stoves in the main clubhouse. More to come in the future.

Buildings and Grounds:

It was noted that the roof on the main clubhouse leaked again. Repairs will be forthcoming.

- Bob Williams the following:
 - Fence line mowing took place during the month.
 - Bids to repair/replace damaged drainage culverts around the property are ongoing.

Skeet Operations:

A load of targets was delivered to the club, with targets placed in the target storage barn as well as stocking all skeet and trap houses.

Skeet & Trap Operations:

It was moved that the existing committee that put the plan together for board and member approval of a new building at the Trap fields would oversee the construction of the building. Board representation on that committee will be Larry Bahler and Gary Kruse. Motion made by Alan Hart and seconded by Bob Williams. Motion approved unanimously.

As a result of the cost of targets, a motion was made to increase the price of a round of skeet/trap beginning January 1, 2026. The new prices will be \$5 per round for members and \$7 per round for non-members. The motion carried unanimously.

Wobble Trap:

Nothing.

New Business:

A motion was made by Bob Williams and seconded by Jack Ostendorf to grant an honorary membership to Judy Gregg. Motion was approved unanimously.

A motion was made by Gary Kruse and seconded by Bob Williams to grant honorary memberships to the spouses of all sitting board members. The reasoning behind the request was to enable the spouse to come on property should they not be able to contact their respective spouse. After some discussion the motion carried. Alan Hart voted against the motion while all other directors voted in favor.

Budget Committee:

It was noted that Gary Killingsworth will head up this committee as Chairman.

Closing:

A motion to adjourn was made by Bob Williams and seconded by Gary Killingsworth. Motion was approved unanimously.
